

REGISTRATION PROCEDURES

New Students

New students may check the registration dates and payment deadlines using the Calendar link at the top of the college homepage, <https://www.stanly.edu/calendar>. At registration, students will discuss with their advisors the selection of courses appropriate to their curricula, pay fees, and purchase books. Students may utilize their Self-Service accounts and/or the Eagle's One Stop for detail information needed for the registration process. Students are considered registered upon completion of registration requirements and payment of fees.

Continuing Students

For registration purposes continuing students are defined as those students who are currently enrolled. All continuing students are strongly urged to register for the following semester during the early registration period. This will help the student get the courses in his or her program needed for graduation purposes.

Re-entry Students

Re-entry students are those students who have attended the institution previously but not during the preceding semester.
