

# CAREER & COLLEGE PROMISE

## Who can participate in the Career and College Promise program?

- High school juniors and seniors (some pathways are available for freshman and sophomores)
- With a GPA of 3.0 or higher
- Who are deemed college ready by test scores (SAT, ACT, PLAN, PSAT) or by their high schools
- Contact SCC for more information about eligibility
- This information is for College Transfer Pathways, Please contact SCC for Career Pathway information
- State guidelines for qualifying (<http://www.nccommunitycolleges.edu/academic-programs/career-college-promise>)

## What is Stanly Community College's Career and College Promise program?

- CCP offers tuition free college courses that can lead to college credits and/or certificates and job training
- Students may enroll in college transfer or career pathways depending upon future plans
- College transfer pathways can lead up to 30 hours of college transfer credits
- Career and Technical Education Pathways lead to credits used towards certificates, diplomas, and degrees
- Students may be enrolled in one college transfer pathway and one one career pathway

## Where do classes meet?

- Courses are offered both online and seated for scheduling convenience
- To help accommodate high school scheduling, SCC offers late-start courses in 12-week format

## What are the benefits of the Career and College Promise program at SCC?

- CCP allows you to earn college credits while in high school
- This will save you money on college tuition (CCP classes are tuition-free)
- CCP helps gain college credits in order for your student to finish his/her college journey sooner
- Classes taken through Stanly Community College introduce students to the college experience and help them be more prepared upon entering the university setting
- If a university is not the right fit for your student, CCP can help him/her get a jump start on his/her career plans or help him/her attain job training, skills, and certifications

## Stanly Community College Pathways

- College Transfer - for those who hope to eventually attain a four-year degree.

- Career & Technical - for those who hope to pursue a career-based diploma, certificate or training.
