Emergency Medical Science Bridge (A45340B)

(Paramedic to Associate Degree Pathway)

The Emergency Medical Science Bridge Curriculum is designed to allow currently credentialed paramedics (North Carolina or National Registry) an opportunity to proceed from continuing education to earn an Associate in Applied Science (A.A.S.) degree in Emergency Medical Science.

Admission Requirements

1. Submit to the Admissions Office at Stanly Community College a properly completed Application for Admission to the Emergency Medical Science Bridge Program (A45340B).
2. Submit to the Admissions Office an official high school transcript and official post-secondary transcripts for all institutions attended. Applicants that obtained a GED/Adult High School diploma must submit an official GED/AHS transcript and a high school transcript even if you did not complete high school.
3. Prove college readiness.
 - Be eligible to enroll in ENG 111 and MAT 143 WITHOUT a co-requisite. The following links explain RISE (reinforce instruction for student excellence) <https://www.stanly.edu/current-students/academic-planning/resources-rise> (<https://www.stanly.edu/current-students/academic-planning/resources-rise/>) and provide a complete list of eligible placement tests https://www.stanly.edu/sites/default/files/pdf/2018/placement_testing_guide.pdf.
 - If you have questions regarding your eligibility to enroll in ENG 111 and MAT 143, please contact your success coach:

AGE-Emergency Medical Sciences Success Coach: Melanie Alexander. Email: malexander0134@stanly.edu Phone: (704) 991-0166
4. For the applicant that has completed any college level courses taken with SCC prior to admission into the Emergency Medical Science Bridge program, a minimum cumulative GPA of 2.0 is required.

After conditional acceptance is granted by the admissions office, applicants must provide the following:

1. Submit the following documentation to the Emergency Medical Science program director:
 - a. Letter of recommendation from your EMS Director confirming:
 - i. Member in good standing with the EMS service.
 - ii. 1,000 hours of documented patient care at the Paramedic level.
 - b. Copy of:
 - i. State and/or National paramedic certification
 - ii. BLS certification

- iii. ACLS certification
- iv. PALS certification
- v. ITLS or PHTLS certification

Acceptance Procedure

The Emergency Medical Science Bridge program accepts a maximum of 20 students for entry each fall semester. Applicants are conditionally accepted based upon their completion of steps 1, 2, 3, and 4 of the admission requirements.

The applicants will be ranked in order by the date applied and by their completion of the requirements. The first 20 applicants who complete steps 1 through 4 before July 1st of the year they wish to enter the program will have full acceptance into the Emergency Medical Science Bridge program pending completion of steps 5 and 6.

Applicants who apply to the Emergency Medical Science Bridge program after the 20 seats are filled will be placed on an alternate list after completing admission requirements 1, 2, 3, and 4.

If any of the applicants who have been accepted to the program should forfeit their acceptance, those applicants on the alternate list will be contacted in the order in which their names appear on the list and will be given an opportunity to enroll.

If an applicant whose name appears on the alternate list is not afforded an opportunity to begin classes during the year in which he or she made application, that applicant will need to submit another application for admission to the year following if he or she wishes to be considered for admission in the subsequent year. (Admission requirements may change from year to year for selected programs).

Any applicant who forfeits his or her acceptance will not be granted acceptance in any subsequent year. The applicant must reapply if he or she wishes to be considered for acceptance at a later date.
