Release of Student Records and Information

All student records are held confidential by the institution with the exception of directory information (see [Student Records and Privacy Rights Policy](#)). Placement credentials, transcripts, and other pertinent information will be made available only upon written request of the student. A statement authorizing release must be signed by the student before a transcript or any other information will be sent to other colleges, employers, or other agencies. Authorization for Transcript Requests forms is available in the Eagle's One Stop or online (<https://www.stanly.edu/student-resources/student-forms.html>). Transcripts will not be released for a student who has an outstanding financial obligation to the institution or under other signed agreement situations. Current students may request transcripts through Self-Service.

Change of Name, Address, and Directory Information

Students are responsible for notifying the Office of Records and Registration of all name and address changes as well as other directory information. Students should obtain a Change of Information Form from the Eagle's One Stop or online at <https://www.stanly.edu/student-resources/student-forms.html>. They can also submit a change electronically through their Self-Service account.
