

**Medical Laboratory Technology Program
Retention, Employment and Certification Pass Rates**

Retention

Cohort	# of students beginning the MLT program	Retained for the “final half” of the MLT program		Retained to become MLT graduates	
		#	%	#	%
2019	6	5	83.3%	5	100%
2020	8	5	62.5%	5	100%
2021	8	5	62.5%	5	100%
2022	4	3	75%	3	100%

Employment

Employment for each graduating class is high. The data includes graduates who were employed within one-year post-graduation.

Graduate Cohort	% Employed
2019	100% employed in the field
2020	100% employed in the field
2021	100% employed in the field
2022	100% employed in the field

Certification Pass Rate

Graduate Cohort	Total # of Graduates	# of Graduates who sat for the ASCP MLT certification exam	#/% of Graduates who passed the ASCP MLT certification exam on first attempt	#/% of Graduates who passed the ASCP MLT certification exam within 1 year of graduation
2019	5	4	2 (50%)	2(50%)
2020	5	3	3 (100%)	3(100%)
2021	5	5	3 (60%)	4(80%)
2022	3	1	0(0%)	1(100%)
