## STANLY EARLY COLLEGE & STANLY STEM EARLY COLLEGE

---

Stanly Early College & Stanly STEM Early College is a unique and innovative educational opportunity for entering high school freshmen. Selected students will enroll as ninth graders and complete high school and college graduation requirements concurrently. Those who successfully complete the program will be awarded a high school diploma and a Stanly Community College associate degree after five years of study. All coursework for Stanly Early College is completed on the Albemarle campus of Stanly Community College. All coursework for Stanly STEM Early College is completed on the Albemarle High School Campus. Early College students have access to all services and programs available through the College. Students who wish to be considered for Early College should speak with their school counselor or principal early in their eighth grade year about the requirements for participation in the program.
